SERVICES OFFERED

3D POOL & BACKYARD DESIGNS

Photorealistic renderings that help homeowners visualize their future backyard and assist builders in closing more sales.

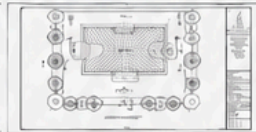

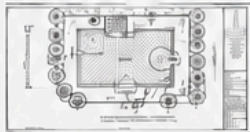

- Pools & Spas
- Outdoor Kitchens
- Pergolas & Pavilions
- Fire Features
- Landscaping
- Decking & Hardscapes
- Outdoor Living Spaces

2D POOL PLANS

Professional plan views used for:

- Customer presentations
- Layout approvals
- Project planning
- Construction reference

DESIGN SUBMISSION REQUIREMENTS

To begin a project, please provide as much of the following information as possible:

- ✓ Client Name
- ✓ Property Address
- ✓ Customer Wishlist
- ✓ Photos of Home
- ✓ Pool Dimensions and Depth
- ✓ Deck Material or Any Specific Material They Request
- ✓ Survey (if available)
- ✓ Rough Sketch (if want specific location of items)

Providing complete information helps reduce revisions and speeds up turnaround time.

SUBMITTING PROJECTS

Projects may be submitted through:

Email
sebastien@regestergroup.com

Shared Google Drive
Builders may upload project files to a shared Google Drive folder for review and processing.

Please include all available project information when submitting.

DESIGN PROCESS

- 1 Submit project information and supporting documents.
- 2 Project is reviewed and entered into production.
- 3 Initial design is completed and delivered.
- 4 Builder reviews design with homeowner.
- 5 Any requested revisions are submitted.
- 6 Final design package is delivered.

INVOICING & PAYMENT TERMS

- Invoices are issued each Monday.
- Invoices include all projects completed during the previous week.
- Payment is due by the same Friday.
- Late payments may delay the release of future projects until the account is brought current.

ACCEPTED PAYMENT METHODS

ACH Bank Transfer

Zelle

Venmo

Payment instructions will be included on each invoice.

COMMUNICATION

To ensure efficiency and consistency, all project communication should be directed through Regester Group LLC.

(813) 629-6914
